## Whisper my Name

I lay on the bed, where you dragged me on. My body doesn't want to move while your gentle lips set thousand kisses on my neck.

I can't understand it. Why? Is this a way to lure me into a trap and expose me as Kira?

No... It can't be. But what is it then?

How should I react? I should say something. I should reject you. But... I can't. I just can't move.

My body burns under your hands while my head still hasn't a solution.

And then, you just softly whisper my name.

And I give up.

"L..."
